Insurance for small businesses

Guide #2

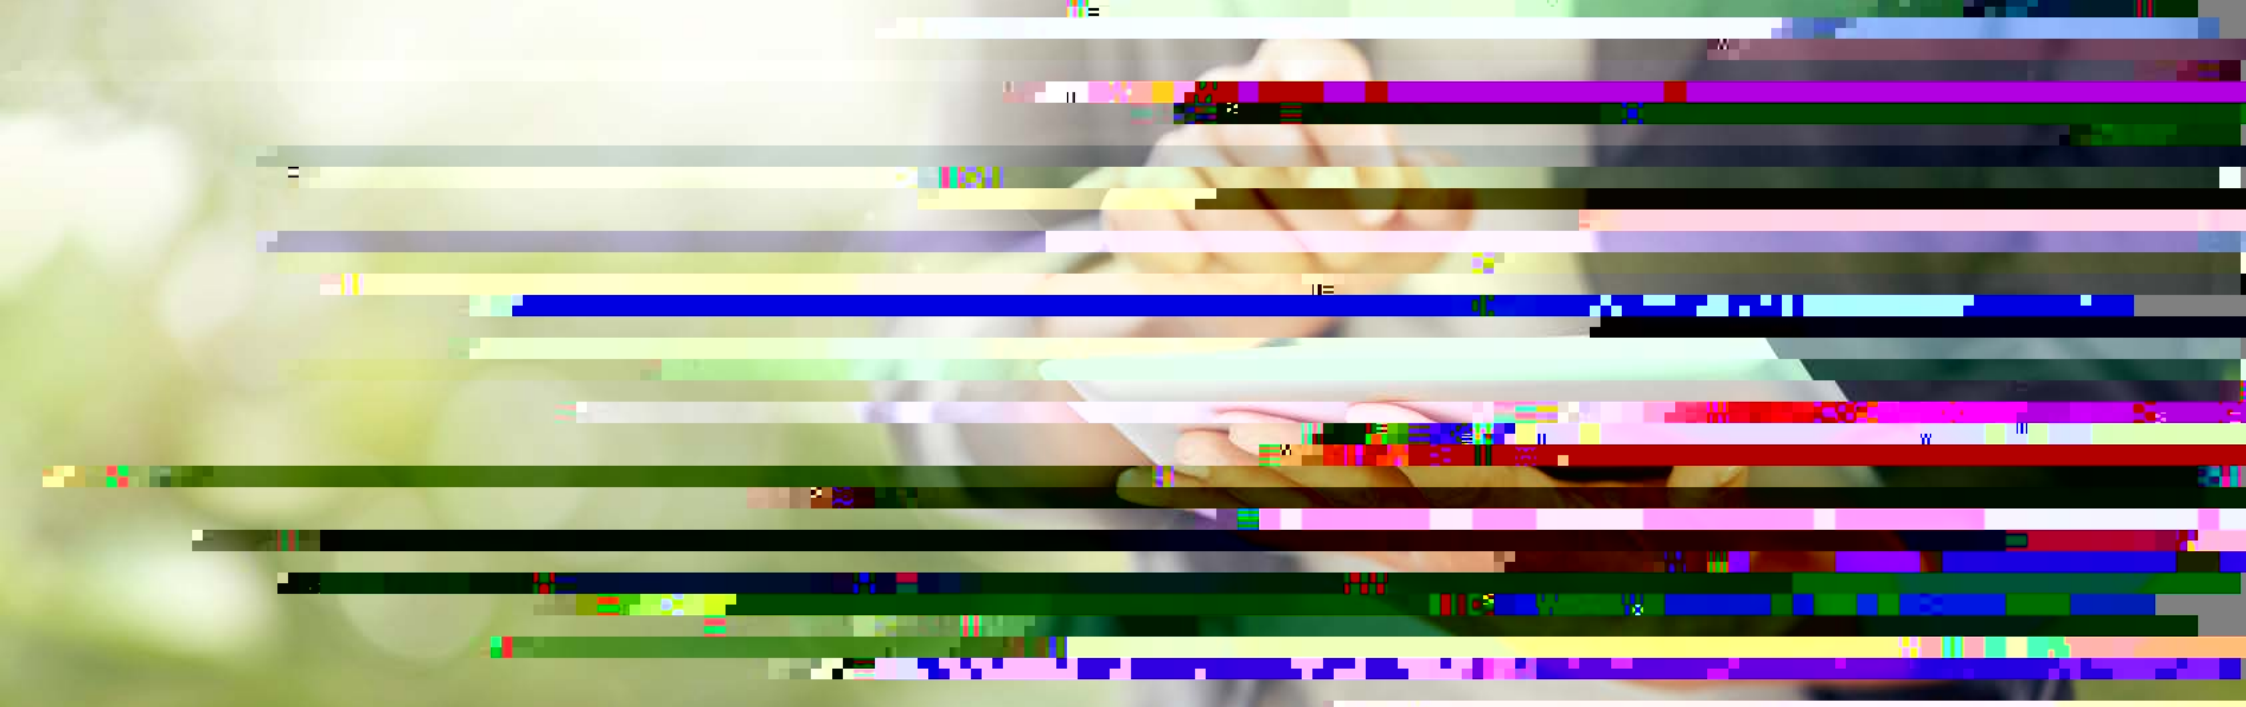

The UK's biggest
business insurance

Covering over
300,000 businesses
& landlords

01

Finding a provider

It may not be the most glamorous, but sorting your insurance is one of the most important

Business insurance: the main types

Public liability insurance

What is it? Public liability insurance protects your business if you're blamed for injury or for damage to property or possessions. This can be injury or damage suffered by clients, contractors or members of the public.

Professional indemnity insurance

What is it? covers
claims made by your client for financial loss they've

Business insurance: the main types

Simply Business is the UK's biggest business insurance provider, protecting over 300,000 businesses and

03

Buying insurance

**Think about the cover you need
(and the cover you don't)**

Now you've got to grips with the business insurance

Risks and claims

Although it's important to know your insurance is there if you need it,

security alarm and smoke alarm for your premises, and
make preparations for dealing with extreme weather
